

About Ali...

I am the Part-Time High School Ministry Youth Leader.

I volunteered at CHAOS and Big House and then did a semester internship through Big House and loved it!

I joined the staff in August 2016. I have the privilege of getting to invest in high school students during Big House and outside of the church walls. This job also allows me to work alongside an amazing Big House team to do programming each week, to plan events and build relationships with our volunteers, students and community.

I thoroughly enjoy getting to invest and build relationships in any area of my life. Conversations with others bring me so much joy, so having a job where I am encouraged to do so is great.

There are many things I love to do in my free time, but being with family and friends is at the top of the list. I love traveling, reading a good book, or watching an entertaining movie.

One of my favorite verses is..."The Lord will fight for you, you need only be still."
Exodus 14:14
