

About Hannah:

I joined the Nazareth Team as the Worship and Technology Coordinator in March of 2018. My job includes helping to develop videos, working in the booth on Sunday mornings and for special events, and developing graphics for ministry announcements.

I am really passionate about digital ministry. I like the idea of being able to reach people and help them with their spiritual journey in a larger scale.

In my spare time, I like to write poetry, watch Netflix, play with my cat Stewart, read comics, and hang out with my friends and family.

One of my favorite verses is: "Therefore I am content with weaknesses, insults, hardships, persecutions, and calamities for the sake of Christ; for whenever I am weak, then I am strong. (2 Corinthians 12:10)
