

## About Kimbo:

In college I had the opportunity to serve in children's, junior high and high school ministries and God just kept opening the door for me to get more and more involved in Children's Ministry here at Naz. I joined the staff in August of 2005.

I, along with my team, prep materials for Sunday or Wednesday programming, meet and spend time with volunteers or students, plan events, think of new ways to engage the kids into learning more and growing their relationship with Jesus so they can be a light in the Cedar Valley.

The Olympics is one of my many passions. GO TEAM USA. I even have a countdown for the games. VBS is one as well. I mean 5 nights of hundreds of kids and adults learning, singing, crafting, playing games together all for Jesus. Not sure how it could get much better than that!

In my spare time I love to travel, spend time with friends and family, go on new adventures, watch basketball, kayak, movies, fish and go on road trips!!!!

One of my favorite verses is...“But in fact God has placed the parts in the body, every one of them, just as he wanted them to be. If they were all one part, where would the body be? As it is, there are many parts, but one body.” 1 Corinthians 12:18-20
