

About Lori...

I have been the Nazareth Membership Secretary since June of 2017.

I update the church records with information about baptisms, marriages, and deaths. I will also have some responsibilities with new members.

In my spare time, I enjoy spending time with my family and being outside...biking, working in my flower gardens, or taking walks. I also enjoy sports, following Central College football and the St. Louis Cardinals.

One of my favorite verses is...The Lord your God is with you. He will take great delight in you. He will quiet you with His love. He will rejoice over you with singing. (Zephaniah 3:17)
