After almost 14 years in the corporate world I needed to pursue a change in careers. I felt a strong nudging to find a career with a more meaningful purpose and where I could spend more time with my family so I joined the NAZ team in September of 2012.

I provide direct supervision to the Clerical Staff, Facility Director, Director of Food Ministry, Finance Manager and Blessed Beginnings Director. I administer human resource practices and ensure that church policies/procedures are followed and recommend changes based on trends, patterns, and feedback. I sit on various committees where I act as the staff liaison and oversee day to day operations of the building.

Something that I'm passionate about is being a good wife, mom, daughter and good friend. I want to live a life that is meaningful, purposeful and be a blessing to others but being mindful to have a balance with family.

In my spare time I enjoy watching my kids play softball & baseball, read and taking road trips with my family.

Favorite verse right now? "Pray continually, Give thanks in all circumstances; for this is the will of God in Christ Jesus for you." 1 Thessalonians 5:17-18
