

# Jan Glaspie Finance Manager

I joined the NAZ Staff in February of 1992.

I coordinate financial reporting and payroll functions and provide support to the budget development process. I also maintain the telephone and computer systems. I am on the Finance, Endowment and Nazareth Mission Fund committees.

I am passionate about being a resource for the congregation and staff to help develop creative solutions to fund ministries to reach people for Christ.

In my spare time I like to read, bake, and spend time with my family. Philippians 4:4 "Rejoice in the Lord always. I will say it again: rejoice!"
