

Blessed Beginnings

Learning Center, Preschool, and School Age

Dear Parents,

We are sorry to inform you that we have had another positive case of COVID-19 in our Blessed Beginnings Learning Center. We have spoken with the Department of Human Services and the Department of Health, and they have concluded that as of right now we will be able to remain open. If your child was directly exposed, you will have already received a phone call. If you have not heard anything from us, your child was not affected.

With everything constantly changing, we would recommend you secure a back-up plan in the event we have to close the Learning Center at some point. We have been fortunate to be able to remain open, but unfortunately, at any point we may need to close for a period of time if health officials deem it necessary.

We do apologize for any inconvenience, but our first priority is always the health of our children and our staff. Thank you for your patience and understanding.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Kate DeMartino
Director of Blessed Beginnings
